

Katherine Hart

Amelia High School - Batavia, OH

We are very appreciative of Siemens for sponsoring the Merit Scholarships. In the landscape of college funding, any type of merit scholarship is a rare find, and these Siemens scholarships are significant. We certainly hope that Siemens will continue this program, providing more opportunities for its families to pursue top universities.

Thanks,
Derek Hart

"I think the Siemens National Merit Scholarship is a great way for Siemens to give back to the community - especially in this time of economic troubles. With the cost of attending universities rising every year, the scholarship will help us provide the gift of higher education to our child and prepare him for the challenges of tomorrow.
Thank you Siemens for this opportunity!"
