

Barbara Humpton

CEO
Siemens USA

Biography

Barbara Humpton is CEO of Siemens USA, where she guides the company's strategy and engagement in serving the company's largest market in the world, with more than 50,000 employees and over \$23 billion in revenues and \$5 billion in annual exports.

Most recently, Humpton served as president and CEO of Siemens Government Technologies, Inc. (SGT), a leading integrator of Siemens' products and services for federal government agencies and departments. In this role, Humpton also served as an officer/director member of the board of directors of SGT.

Prior to joining Siemens in 2011, Humpton served as a vice president at Booz Allen Hamilton where she was responsible for program performance and new business development for technology consulting in the Department of Justice and Department of Homeland Security. Earlier, Humpton was a vice president at Lockheed Martin Corporation with responsibility for Biometrics Programs, Border and Transportation Security and Critical Infrastructure Protection, including such critical programs as the FBI's Next Generation Identification and the TSA's Transportation Workers' Identification Credential.

Humpton is a graduate of Wake Forest University with a bachelor's degree in mathematics. She serves on the board of directors of MorganFranklin, the American Heart Association Greater Washington Region, the Center for Strategic and Budgetary Assessments (CSBA), and The George Washington University Law School Government Contracts Advisory Board. She resides in Washington, D.C., with her husband David.
